Orange Hide®
Glass Bead Film
AntiMarking Products

We have advanced our proven PrintGuard technology by adding a proprietary Orange Hide ink repellent coating. Orange Hide works better than any other glass beaded product on the market! Craftsmen who have tried both the Regular and the Orange Hide products tell us Orange Hide works three times better! Orange Hide improves your print quality, customer satisfaction, press up-time, and your bottom line!

Orange Hide = PrintGuard + Orange Ink Repellent Coating

Care & Maintenance:

For longest product life, inspect daily—if clean leave alone; Else:

1. Use the PrintGuard Cleaning Cloth (Or cotton shop cloth).
2. Moisten Cloth with a mild press-wash, preferably water based or diluted 50/50 with water.
3. Use uniform light pressure to remove wet ink.
